

Students of Delhi Public School, Sushant Lok

Make Their Alma Mater Proud

The students of class X (2016-17) of Delhi Public School, Sushant Lok, once again, proved to be the ideal torchbearers - basking in the glory of triumph and victory. 72 students out of 211 (34.1%) who appeared have scored a CGPA of perfect 10! They have made their mentors proud. 146 students i.e. 69.2% of the total students who appeared for AISSE this year have bagged a CGPA of 9 and above. The result is truly outstanding.

While the great performance is clearly the outcome of the hard work and relentless perseverance of the students, with full support from the parents, credit must also go to the teachers who have consistently worked along with the students and guided them and encouraged them to scale greater heights and conquer new milestones.
